

**Rainbow Colored Transparent Retainer Acrylic**

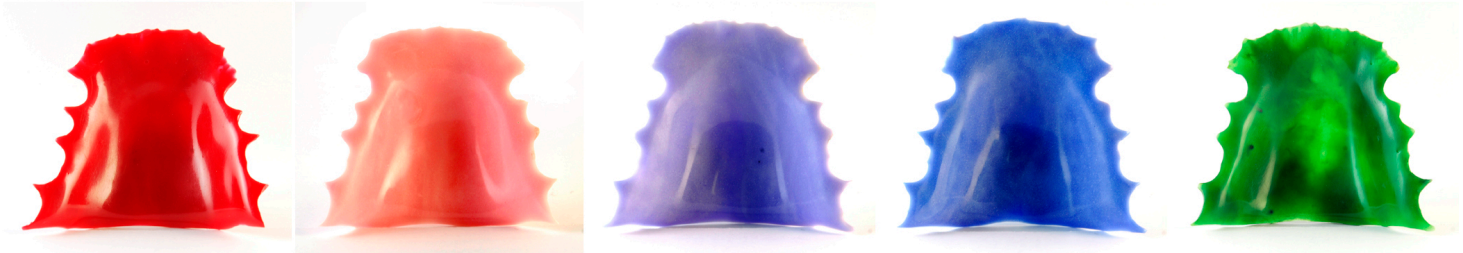

Crystal-clear colors – order the color of your birthstone or favorite precious gem!

**Throughout the world, gemstones** are believed to provide clarity of thought, strength, health, serenity, or effect change in the fortune of the possessor! Udell Dental Laboratory makes no claims implied or otherwise that your gemstone-colored retainer will provide any benefit other than the orthodontic therapy it is intended to provide.

**Rainbow Colored Opaque Retainer Acrylic**

Bright Solid Colors – to match your tattoo, hair-color, or prom gown.
